NOTICE: On all new or improved connections to the District water system, a meter setter and meter box will be installed in accordance with standard details provided by Del Paso Manor Water District.

NOTICE: All new or improved water services will be metered. Backflow prevention devices will be required on all meters, except for single-family residential units unless required by state or local code.

NOTICE: All meters and backflow devices are to be inspected by the District to confirm devices installed do conform to the District's Standards and Specifications. Backflow devices must be tested by a state certified backflow tester prior to final inspection per Sacramento County Environmental Management Department.

NOTICE: Applications will be supported by such data as the District may reasonably require, such as plat maps, legal description of the property to be served, construction type and number of living or service units, the date service is to begin, and the name and billing address of the applicant and of the responsible party, if they are not the same. Applicant's failure to provide the District with any required information may result in the District's refusal to accept the water service application. The District will provide an estimate of fees and costs to applicant and payment must be received prior to approval of project by the District.

NOTICE: As a condition of providing water service, the District may obtain a credit report regarding the Applicant and may require Applicant to provide a security deposit. By signing and submitting this application, Applicant consents to the District's obtaining and reviewing the Applicant's credit report and related information.

NOTICE: THE LEGAL OWNER OF THE PROPERTY IS RESPONSIBLE FOR ANY DELINQUENT CHARGES AND FEES FOR WATER SERVICE PROVIDED BY THE DISTRICT. IF ANY SUCH DELINQUENT CHARGES AND FEES ARE NOT PAID, INTEREST, LATE FEES AND PENALTIES WILL ACCRUE AGAINST THE DELINQUENT BALANCE AND THE DISTRICT MAY RECORD A LIEN AGAINST THE PROPERTY FOR ALL AMOUNTS DUE.

The Applicant agrees to abide by all applicable District rules, regulations and ordinances now or later adopted by the Board of Directors. Upon completion and after acceptance in conformance with District requirements, the water service (with all appurtenances, appliances, fittings and equipment up to and including meter) will become and forever remain the property of the District. If the Applicant violates the District's rules, regulations or ordinances, the District has the legal right to terminate or remove the Applicant's water service until the violation is cured.

I have read the foregoing terms, conditions and notices concerning the District's provision of water service and agree to abide by them, as well as by all applicable rules, regulations and ordinances governing District water service not specifically referred to above.
