The Installment Payments shall, subject to any rights of prepayment of the District provided in Article VI, be due in installments in the amounts and on the dates described in Exhibit B attached hereto.

Each Installment Payment shall be payable to the Bank in accordance with the terms hereof and at the times required by this Section 3.01 in lawful money of the United States of America. In the event the District fails to make any of the payments required to be made by it under this Section 3.01, such payment shall continue as an obligation of the District until such amount shall have been fully paid and the District agrees to pay the same with the stated interest thereon at the rate set forth in the preceding paragraph.

The obligation of the District to make the Installment Payments is absolute and unconditional, and until such time as all Installment Payments shall have been fully paid (or provision for the payment thereof shall have been made pursuant to Article VI hereof), the District will not, under any circumstances, discontinue, abate or suspend any Installment Payments required to be made by it under this Section 3.01 when due, whether or not the Enterprise or any part thereof is operating or operable or has been completed, or whether or not the Enterprise is condemned, damaged, destroyed or seized or its use is suspended, interfered with, reduced or curtailed or terminated in whole or in part, and such payments shall not be subject to reduction whether by offset, counterclaim, defense, recoupment, abatement, suspension, deferment or otherwise and shall not be conditional upon the performance or nonperformance by any party of any agreement or covenant contained herein for any cause whatsoever.

Section 3.02 Interest Component of the Installment Payments.

The Installment Payments shall bear interest from the Closing Date until the payment of the principal thereof and the prepayment premiums, if any, thereon, shall have been made or provided for in accordance with the provisions of Article VI hereof, whether at maturity, upon prepayment or otherwise. Interest accrued on the Installment Payments from the Closing Date and from each Interest Payment Date to, but not including, the next succeeding Interest Payment Date shall be paid on each such succeeding Interest Payment Date and shall be computed on the basis of a year of 360 days and twelve 30-day months. In the event of an Event of Default hereunder, the interest component of the portion of the Installment Payment shall be calculated based on the Default Rate.

Section 3.03 Establishment of Accounts.

The funds and accounts and flow of funds set forth in this Article III are hereby established and shall control to the extent inconsistent with any other terms of this Installment Purchase Contract.

Section 3.04 Pledges of Net Revenues and Other Funds; Debt Service Fund.

The District hereby irrevocably pledges all of the Net Revenues and amounts on deposit in the Revenue Fund to the punctual payment of the Installment Payments and any Parity Obligations, and such Net Revenues, except as otherwise permitted herein, shall not be used for any other purposes while any of the Installment Payments are due hereunder. There is hereby established with the District a fund known as the “Debt Service Fund,” which the District shall maintain and hold in trust separate and apart from other funds held by it. Within the Debt Service Fund, the District shall establish a Debt Service Account and a Redemption Account. Installment Payments made by the District shall be deposited in the Debt Service Account. Such payments shall be net of amounts already on deposit therein that are in excess of the amount required to accumulate therein pursuant to Section 3.01 above. The District shall transfer the money contained in the Debt Service Account and the Redemption Account at the following respective times in the following respective accounts in the following order of priority in the manner hereinafter provided, each of which accounts the District hereby agrees to establish and maintain so long as any Installment Payments are due hereunder, and the money in each of such accounts shall be disbursed only for the purposes and uses hereinafter authorized:

(i) Debt Service Account. All moneys in the Debt Service Account shall be used and withdrawn by the District solely for the purpose of paying Installment Payments and principal of and interest on any Parity Obligations on each Interest Payment Date. The District shall be entitled to receive as a credit against Installment Payments an amount equal to the amount of any balance contained in the Debt Service Account prior to the Due Date for such Installment Payments (excluding money designated or necessary for the payment of Parity Obligations).

(ii) Redemption Account. The District, on any optional prepayment date, shall deposit in the Redemption Account moneys to accomplish any such optional prepayment. All money in the Redemption Account shall be used and withdrawn by the District solely for the purpose of paying the Installment Payment to be optionally prepaid on their respective prepayment dates.

Section 3.05 Receipt and Deposit of Gross Revenues; Establishment and Maintenance of Accounts for Gross Revenues; Use and Withdrawal of Gross Revenues.

The District covenants and agrees that all Gross Revenues, when and as received, will be received and held by the District in trust hereunder for the benefit of the Bank, as assignee of the Corporation under the Assignment Agreement, and for the benefit of the holders of any Parity Obligations. All Gross Revenues will be deposited by the District in the Revenue Fund (which the District hereby covenants and agrees to maintain so long as any Installment Payments are due hereunder) and will be accounted for through and held in trust in the Revenue Fund; provided, that the District may withdraw such amounts in the Revenue Fund as may be necessary to make refunds for amounts paid in advance for services provided by the Enterprise, which such service was not thereafter made available or provided. All Gross Revenues held by the District shall be disbursed, allocated and applied solely to the uses and purposes hereinafter in this Article III set forth, and shall be accounted for separately and apart from all other money, funds, accounts or other resources of the District.

All Gross Revenues in the Revenue Fund shall be set aside by the District or deposited by the District as follows and in the following order of priority:

(a) Maintenance and Operation Costs of the Enterprise. In order to carry out and effectuate the pledge and lien contained herein, the District agrees and covenants to pay all Maintenance and Operation Costs of the Enterprise (including amounts reasonably required to be set aside in contingency reserves for Maintenance and Operation Costs of the Enterprise, the payment of which is not then immediately required) from the Revenue Fund as they become due and payable.

(b) Debt Service Funds. Installment Payments payable pursuant to Section 3.01 above, and all other payments relating to principal and interest on or with respect to Parity Obligations, shall be paid in accordance with the terms hereof and of such Parity Obligations, without preference or priority, and in the event of any insufficiency of such moneys, ratably without any discrimination or preference.

(c) General Expenditures. All Gross Revenues not required to be withdrawn pursuant to the provisions of (a) and (b) above shall be used for expenditure for any lawful purpose of the District, including payment of any rebate requirement or of any obligation subordinate to the payment of all amounts due hereunder or under Parity Obligations.

Section 3.06 Investment of Funds.

Amounts on deposit in any fund or account created pursuant to this Installment Purchase Contract shall be invested in Permitted Investments which will, as nearly as practicable, mature on or before the dates when such money is anticipated to be needed for disbursement hereunder. Interest or profit received on such investments shall be deposited to the Debt Service Fund in which such investments are then held. In computing the amount in any fund or account, Permitted Investments shall be valued at market value, exclusive of accrued interest.

If at any time after investment therein a Qualified Investment ceases to meet the criteria set forth in the definition of Permitted Investments and such obligation, aggregated with other non-conforming investments, exceeds five percent (5%) of invested funds, such Qualified Investment shall be sold or liquidated.

ARTICLE IV. PARITY OBLIGATIONS

Section 4.01 Parity Obligations.

(a) So long as any Installment Payments are due hereunder, the District shall not issue or incur any obligations payable from Net Revenues or the Revenue Fund senior or superior to the Installment Payments.

of the District) the Additional Revenues, shall be at least equal to one hundred and twenty percent (120%) of the amount of Maximum Annual Debt Service.

Notwithstanding the above, the District may incur debt payable from Net Revenues (i) to cause a defeasance of the Installment Payments pursuant to Article VI hereof or a defeasance of any outstanding Parity Obligations, or (ii) which is payable on a basis which is subordinate to the payment of the Installment Payments.

The District may at any time execute contracts or issue bonds or other indebtedness payable from Net Revenues or the Revenue Fund payable on a subordinated basis to the payment of the Installment Payments.

ARTICLE V. REPRESENTATIONS, COVENANTS AND WARRANTIES

Whenever and so often as requested to do so by the Bank, the District will promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or instruments and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Bank all advantages, benefits, interests, powers, privileges and rights conferred or intended to be conferred upon them by this Installment Purchase Contract.

Section 5.06 Against Encumbrances.

The District hereby represents that there is no pledge of or lien on Net Revenues senior to the pledge and lien securing the Installment Payments. The District will not make any pledge of or place any lien on the Net Revenues, provided that the District may at any time, or from time to time, pledge or encumber the Net Revenues in connection with the issuance or execution of Parity Obligations in accordance with Section 4.01 or other obligations permitted hereby, or subordinate to the pledge of Net Revenues herein.

Section 5.07 Against Sale or Other Disposition of Property.

The District will not sell, lease, encumber or otherwise dispose of the Enterprise or any part thereof in excess of one-half of one percent of the book value of the Enterprise in any Fiscal Year, unless a Finance Officer certifies that such sale, lease, encumbrance or disposition will not materially adversely affect the operation of the Enterprise or the Net Revenues; provided however, any real or personal property which has become non-operative or which is not needed for the efficient and proper operation of the Enterprise, or any material or equipment which has become worn out, may be sold or exchanged at not less than the fair market value thereof and the proceeds (if any) of such sale or exchange shall be deposited in the Revenue Fund.

The District will not enter into any agreement or lease which would impair the ability of the District to meet the covenant set forth in Section 5.16 hereof or which would otherwise impair the rights of the Bank or the operation of the Enterprise.

Section 5.08 Against Competitive Facilities.

To the extent permitted by law, the District covenants that it will not acquire, construct, maintain or operate and will not, to the extent permitted by law and within the scope of its powers, permit any other public or private agency, corporation, district or political subdivision or any person whomsoever to acquire, construct, maintain or operate within the District any Enterprise competitive with the Enterprise.

Section 5.09 [Reserved.]

Section 5.10 Maintenance and Operation of the Enterprise; Budgets.

The District will maintain and preserve the Enterprise in good repair and working order at all times and will operate the Enterprise in an efficient and economical manner. The District will pay all Maintenance and Operation Costs of the Enterprise as they become due and payable.

Section 5.11 Payment of Claims.

The District will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien on the Net Revenues or any part thereof or on any funds in the control of the District prior or superior to the lien of the Installment Payments or which might impair the security of the Installment Purchase Contract; provided the District shall not be obligated to make such payment so long as the District contests such payment in good faith.

Section 5.12 Compliance with Contracts.

The District will comply with, keep, observe and perform all agreements, conditions, covenants and terms, expressed or implied, required to be performed by it contained in all contracts for the use of the Enterprise and all other contracts affecting or involving the Enterprise to the extent that the District is a party thereto.

Section 5.13 Insurance.

(a) The District will procure and maintain insurance on the Enterprise with commercial insurers or through participation in a joint powers insurance authority, in such amounts, with such deductibles and against such risks (including accident to or destruction of the Enterprise) as are usually insurable in accordance with industry standards with respect to similar enterprises and consistent with the District's current coverage.

In the event of any damage to or destruction of the Enterprise caused by the perils covered by such insurance, the proceeds of such insurance shall be applied to the repair, reconstruction or replacement of the damaged or destroyed portion of the Enterprise. The District shall cause such repair, reconstruction or replacement to begin promptly after such damage or destruction shall occur and to continue and to be properly completed as expeditiously as possible, and shall pay out of the proceeds of such insurance all costs and expenses in connection with such repair, reconstruction or replacement so that the same shall be completed and the Enterprise shall be free and clear of all liens and claims, unless the District determines that such reconstruction, repair, or replacement is not necessary to the efficient or proper operation or use of the Enterprise and therefore determines not to reconstruct, repair, or replace such damaged or destroyed portion of the Enterprise. If such Net Proceeds exceed the costs of such reconstruction, repair, or replacement, then the excess Net Proceeds shall be deposited in such funds and accounts of the District as is permitted by law.

(b) The District will procure and maintain commercial general liability insurance covering claims against the District for bodily injury or death, or damage to property, occasioned by

reason of the ownership or operation of the Enterprise, such insurance to afford protection in such amounts and against such risks as are usually covered in connection with similar enterprises.

(c) The District will procure and maintain workers' compensation insurance against liability for compensation under the Workers' Compensation Insurance and Safety Act of California, or any act hereafter enacted as an amendment or supplement or in lieu thereof, such insurance to cover all persons employed in connection with the Enterprise.

(d) In lieu of obtaining insurance coverage as required by this Section, such coverage may be maintained by the District in the form of self-insurance so long as the District certifies that (i) the District has segregated amounts in a special insurance reserve meeting the requirements of this Section; (ii) an Insurance Consultant certifies annually, on or before December 1 of each year in which self-insurance is maintained, in writing that the District's general insurance reserves are actuarially sound and are adequate to provide the necessary coverage; and (iii) such reserves are held in a separate trust fund by an independent trustee. The District shall pay or cause to be paid when due the premiums for all insurance policies required hereby.

Section 5.14 Books and Accounts; Financial Statements.

(a) The District shall keep proper books of record and accounts of the Enterprise and the Debt Service Fund all separate from all other records and accounts, in which complete and correct entries shall be made of all transactions relating to the Enterprise and relating to the funds created by this Installment Purchase Contract. Said books shall, upon prior request, be subject to the inspection by the Bank, or its representatives authorized in writing, upon not less than five (5) Business Days' prior notice to the District.

(b) The District shall cause the books and accounts of the Enterprise, which shall include a statement of revenues and expenditures and changes in fund balances, a balance sheet and a statement of cash flow, to be audited annually by an independent certified public accountant or firm of certified public accountants, not more than two hundred and seventy (270) days after the close of each Fiscal Year. The District shall send a copy of such report and all related financial statements and notes to the Bank not more than two hundred and seventy (270) days after the close of each Fiscal Year. No later than one month after its adoption, the District shall also send to the Bank a copy of the annual budget of the Enterprise and any amendment or supplement thereto and any other financial information reasonably requested by the Bank.

(c) Not more than two hundred and seventy (270) days after the close of each Fiscal Year, the District shall file with the Bank a certificate of the District stating that the District is not aware of any default or Event of Default hereunder and stating that it is in compliance with the covenants set forth in Section 5.16 relating to the rates and charges for the Enterprise for each Fiscal Year.

Section 5.15 Payment of Taxes and Compliance with Governmental Regulations.

The District will pay and discharge all taxes, assessments and other governmental charges, if any, which may hereafter be lawfully imposed upon the Enterprise or any part thereof or upon the Net Revenues when the same shall become due and the District will duly observe and

conform with all valid regulations and requirements of any governmental authority relative to the operation of the Enterprise or any part thereof. However, the District shall not be required to make such payments, or to comply with any regulations or requirements, so long as the payment or validity or application thereof shall be contested in good faith.

Section 5.16 Amount of Rates and Charges.

(a) To the fullest extent permitted by law, so long as any Installment Payments remain outstanding, the District will fix and prescribe rates and charges for the Enterprise which are reasonably expected to be at least sufficient to yield during each Fiscal Year Net Revenues equal to 120% of the aggregate amount of the Installment Payments, and principal of and interest on any Parity Obligations issued or incurred after the date hereof payable from Net Revenues coming due and payable during such Fiscal Year. The District may make adjustments from time to time in such rates and charges and may make such classifications thereof as it deems necessary, but shall not reduce the rates and charges then in effect unless the Net Revenues from such reduced rates and charges are reasonably expected to be sufficient to meet the requirements of this subsection.

(b) So long as the District has complied with its obligations set forth in subsections 5.16(a) above, the failure of Net Revenues to meet the thresholds set forth in subsections 5.16(a) above at the end of a Fiscal Year shall not constitute a default or an Event of Default so long as the District has complied with subsections 5.16(a) above at the commencement of the succeeding Fiscal Year.

Section 5.17 Collection of Rates and Charges.

The District will have in effect at all times rules and regulations requiring all users of the Enterprise to pay the assessments, rates, fees and charges applicable to the Enterprise provided or made available to such users. Such rules and regulations shall also provide for the billing thereof and for a due date and a delinquency date for each bill.

Section 5.18 Eminent Domain Proceeds.

If all or any part of the Enterprise shall be taken by eminent domain proceedings, the Net Proceeds thereof shall be applied as follows:

(a) If (1) the District certifies (i) the estimated loss of annual Net Revenues, if any, suffered or to be suffered by the District by reason of such eminent domain proceedings, (ii) a general description of the additions, betterments, extensions or improvements to the Enterprise proposed to be acquired by the District from any Net Proceeds, and (iii) an estimate of the additional annual Net Revenues to be derived from such additions, betterments, extensions or improvements, and (2) on the basis of such certificate, determines that the estimated additional annual Net Revenues will sufficiently offset the estimated loss of annual Net Revenues resulting from such eminent domain proceedings so that the ability of the District to meet its obligations hereunder will not be substantially impaired (which determination shall be final and conclusive); then the District shall promptly proceed with the acquisition of such additions, betterments, extensions or improvements substantially in accordance with such certification and such Net Proceeds shall be applied for the payment of the costs of such acquisition, and any balance of such Net Proceeds not required by the

District for such purpose shall be deposited in such funds and accounts of the District as is permitted by law.

(b) If the foregoing conditions are not met, then such Net Proceeds shall be applied to prepay the Installment Payments, and any Parity Obligations, on a pro rata basis in the manner provided herein and in the instruments authorizing such Parity Obligations.

Section 5.19 [Reserved].

Section 5.20 Further Representations, Covenants and Warranties of the District.

The District represents, covenants and warrants as follows:

(b) The Constitution and the laws of the State of California authorize the District to enter into the Installment Purchase Contract and to enter into the transactions contemplated thereby and to carry out its obligations under each of the aforesaid agreements, and the District has duly authorized and executed each of the aforesaid agreements in accordance with the laws of the State of California.

(c) The District has duly authorized and executed this Installment Purchase Contract in accordance with the laws of the State of California.

(d) The District is empowered to set rates and charges for services provided by the Enterprise provided to the users of the Enterprise without review or approval by any state or local governmental agency.

(b) The execution and delivery of this Installment Purchase Contract and the consummation of the transactions herein contemplated will not violate any provision of law, any order of any court or other agency of government, or any indenture, material agreement or other instrument to which the Corporation is now a party or by which it or any of its properties or assets is bound, or be in conflict with, result in a breach of or constitute a default (with due notice or the

passage of time or both) under any such indenture, agreement or other instrument, or result in the creation or imposition of any prohibited lien, charge or encumbrance of any nature whatsoever upon any of the properties or assets of the Corporation.

(c) Neither the Corporation, nor the Bank as assignee of the Corporation, will assign the Installment Purchase Contract or its right to receive Installment Payments from the District, or its duties and obligations under the Installment Purchase Contract to any other person, firm or corporation, except to affiliates of the Corporation or affiliates of the Bank or to banks, insurance companies or other financial institutions or their affiliates, including participation arrangements with such entities; provided, (i) no such assignment shall be made that would cause there to be more than 15 such assignees or any interest in the Installment Payments of less than \$100,000 and (ii) such assignee shall deliver a letter of representations to the District in a form addressed to and acceptable to the District and in substantially the same form delivered by the Bank in connection with the execution of this Installment Purchase Contract.

ARTICLE VI. PREPAYMENT OF INSTALLMENT PAYMENTS

Section 6.01 Prepayment.

(a) The District may prepay the unpaid principal balance of the Installment Payments in whole or in part, on any date on or after July 1, 2020, by paying a prepayment price equal to the principal amount of the Installment Payments to be prepaid, plus accrued interest to the date of prepayment, without a prepayment premium or penalty.

(b) The District may or shall, as the case may be, prepay on any date from the Net Proceeds of insurance or condemnation awards, as provided herein, all or any part, in integral multiples of \$5,000, of the principal amount of the unpaid Installment Payments, pro-rata among the remaining Installments Payments, at a prepayment price equal to the sum of the principal amount prepaid plus accrued and unpaid interest thereon to the date of prepayment, without premium.

In the event that a portion of the Installment Payments shall have been prepaid by the District pursuant to subsections (a) or (b) above, the total amount of all future payments set forth in the schedules attached hereto as Exhibit B shall be reduced by the aggregate amount of Installment Payments so prepaid, as the case may be, as agreed to by the Bank. The District shall file a revised schedule of Installment Payments with the Bank.

Notwithstanding any such prepayment, the District shall not be relieved of its obligations hereunder, including its obligations under Article III hereof, until the entire principal amount of the unpaid Installment Payments together with the interest accrued thereon, if any, and together with the ordinary and extraordinary fees, costs and expenses of the Bank, shall have been fully paid and the Installment Payments are no longer due hereunder (or provision for payment thereof shall have been made pursuant to Section 6.03 hereof).

Section 6.02 Method of Prepayment.

Before making any prepayment pursuant to Section 6.01(a) or Section 6.01(b), the District shall, give written notice to the Bank specifying the date on which the prepayment will be made, which date shall be not less than thirty (30) days from the date such notice is given.

Section 6.03 Security Deposit.

Notwithstanding any other provision of this Installment Purchase Contract, the District may secure the payment of (i) all or a portion of the Installment Payments by a deposit with the Bank or, at the Bank's sole option, a bank or trust company acceptable to the Bank, as escrow holder under an escrow deposit and trust agreement, of either (i) cash in an amount which is sufficient to pay such unpaid Installment Payments, including the principal and interest components thereof, in accordance with the Installment Payment schedule set forth in Exhibit B attached hereto, or (ii) non-callable Federal Securities or pre-refunded non-callable municipal obligations rated "AA" and "Aa" by S&P and Moody's, respectively, together with cash if required, in such amount as will, without re-investment, in the opinion of an independent certified public accountant (which opinion shall be addressed to the Bank), together with interest to accrue thereon, be fully sufficient to pay such unpaid Installment Payments on their payment dates so that such Installment Payments shall be defeased. In the event of any shortfall, the District shall deposit from legally available funds such amounts as is necessary to make up such shortfall. In all cases, deposits of cash or Federal Securities made to secure the Installment Payments pursuant to this paragraph shall be kept in segregated escrow accounts or escrow subaccounts and such deposits shall not be commingled for any reason.

In the event of deposits pursuant to this Section 6.03 sufficient to fully defease all of the Installment Payments, and provided that all other amounts payable by the District hereunder have been paid in full, all obligations of the District under this Installment Purchase Contract shall cease and terminate, excepting only the obligation of the District to make, or cause to be made, all Installment Payments from the deposits made by District pursuant to this Section 6.03 and the obligation to pay amounts due the Bank, as assignee of the Corporation. Said deposits shall be deemed to be and each of the deposits shall constitute a separate special fund that may be used solely for the payment of the Installment Payments in accordance with the provisions of this Installment Purchase Contract, and pending such application shall be held in trust and pledged to and for the sole benefit of the Bank and any assignee or transferee of the Bank. The District hereby grants to the Bank, as assignee of the Corporation, a first priority security interest in any amounts so deposited.

(a) default shall be made in the due and punctual payment by the District of any Installment Payment when and as the same shall become due and payable, and such default shall continue for a period of five (5) Business Days after the District shall have been given notice in writing of such default by the Bank;

(b) default shall be made by the District in the performance of any of the agreements or covenants contained herein required to be performed by it, and such default shall have continued for a period of sixty (60) days after the District shall have been given notice in writing of such default by the Bank;

(2) any and all other defaults known to the Bank (other than in the payment of such overdue principal amount of the unpaid Installment Payments and the accrued interest thereon due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Bank or provision deemed by the Bank to be adequate shall have been made therefor,

then and in every such case the Bank, by written notice to the District, may rescind and annul such declaration of immediate payment of all of the principal amount of the unpaid Installment Payments

and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.
